2nd place – Kuldasybayuly Beksultan, SOS Children village

3d place – Yefimov Andrey, SOS Children village

3d place – Shabanov Artyom, orphan’s home #2

Special prizes from “Eastcomtrans” employees:

Dmitry Pervyev – to Karim Daniyalov, Orphan’s home #2, Dmitry Koprachenko, SOS children village, Islam Yeszhanov, SOS children village

Damir Atchibayev – to Nikita Glushko, SOS children village

All children have got Diplomas, valuable presents – smartphones.

Ravil Akhmetov, the photographer from EAT Models has granted children’s photos who took part in photo session in the studio. Children have got fashion commixes and bandana from ZHSAKEN (children’s photo on the report title page)

“Give a smile” activity

In honor of celebration the 70th anniversary of the Great Victory in second World War, “Zhakiya” fund in conjunction with dental clinics «RUAZ-DENT», who was the initiator of this event, have conducted the charity activity “Give a smile” for the World War 2 veterans. 70 veterans have got dental care.

Within the framework of this activity, the veterans have got the following free dental services:

1. Doctor's consultation
2. Teeth treatment and prosthetic dentistry
3. Extraction of a tooth

The activity was supported by “Leader” taxi service, the transportation for veterans has been provided on a free of charge basis.

The dental Institute by S.D. Asfeniyaev has granted presents for 30 children for brackets system treatment (tooth pastes, tooth brushes), souvenirs and sweets.

III. MENTORING (SCHOOLS SUPPORT PROGRAM).

Project objective:

To provide State Educational Institutions with targeted financial assistance to improve learning conditions for children and to improve their well-being. To provide equal conditions for education of all children; education's correspondence to State standards.

Assistance in creating the developmental pedagogical conditions promoting pupils' effective socialization.

Furniture has been purchased for "Bolashak" kindergarten in Aktobe region, Araltobe village. "Energy Focus" company has granted financial help with the amount of 333 000 tenge.

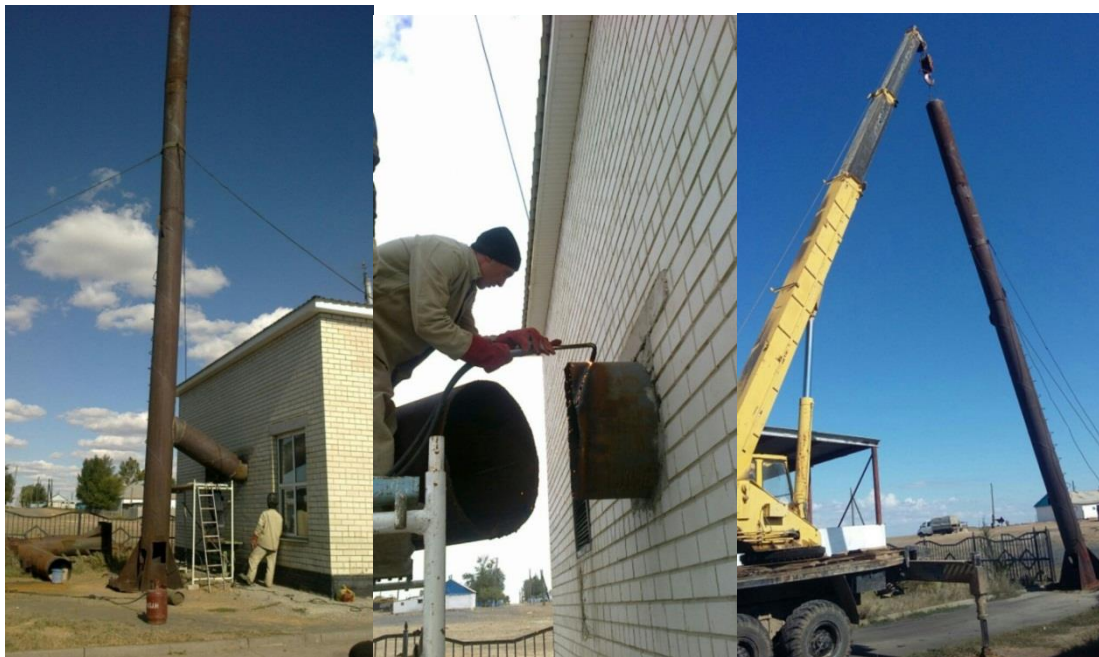

Subscription for magazines for children for school library (12 265 tenge):

Getting warm program

Chimney installation for Kyzylzhuldyz public school. Fund has paid chimney's transportation and installation. The chimney has been granted by the regional educational department to the tune of 120 938 tenge. Children have studied in a warm school in winter time.

New Year presents for kindergarten:

The presents' cost was of 32 250 tenge.

A new microbus has been purchased for “Special physic-mathematics boarding school #5 by Zhambyl Kapparov” in South-Kazakhstan area on “Zhambyl” PF appeal to the tune of 7 760 000 tenge.

"The transformations class" in orphan home #1.

We are very grateful for EAT Models in the person of Katrin Goltsman and Yekaterina Donskova.

Master class on basic clothes, skin care and make-up rules has been presented by Katrin Goltsman, the EAT Models model school leader, model and master of style and by Yekaterina Donskova, visagiste, the champion in Middle Asia on "Golden Asia" cosmetics, EAT Models school teacher on "Basic make-up for oneself" class. Such even is conducted for the second time, last year it was conducted in orphan home #2 together with LV shop consultants lead by Zhanat Orazbekova, Director of LV shop.

The striving for sport!

The meeting with leading specialist of “Eastcomtrans” LLP, Yerlan Kulubekov, had took place in orphans home #1. He told children about the healthy style of life, healthy food, types of sport and his own story and achievements in sport.

"Smart Health" diagnostic

The charity event dated for the International day of children protection had took place in Kazakh-Korean diagnostic center “Smart Health” on June 1st.

10 children from Almaty regional orphans home have undergone the full medical examination according to the standards of examination of the leading clinic in the South Korea - Congnam Severans. Every child will be examined with the modern technological equipment by the leading specialists: therapist, pediatricist, surgeon, ophthalmologist, otorhinolaryngologist, neuropathologist, cardiologist. “Taxi Kolesa” service have provided free of charge transportation. After the diagnostic, children have got the presents from “MED OPTICA” and “Taxi Kolesa” service. “Zhakiya” Fund has been a “mediator” in this event.

«Light the blue»

Our Fund has took part in the social event “Light the blue” in order to support the people with autism by the ceremonial launching of 1500 blue balloons to the sky.

Career-guidance – Actors mastery

Chingiz Kapin and Yuliya Onichenko, the actors of “Artishok” theatre have visited orphans home #1. Children from “Baldyrgan” group have known the information about actor’s profession, played developing games, did exercises for associations, team building etc.

The theatre atmosphere was in orphan home #1. Nina Zhmerenetskaya, the honored artist of the Republic of Kazakhstan, the movie and cinema actress, has come for children to tell them about the actor's profession.

To the theatre!

Children from orphan home #1 have visited State academic theater after M. Lermontov. After meeting Nina Zhmerenetskaya, the volunteer Ulya Bidaibekova has bought tickets for children, to show them the play where Nina plays a role.

Group therapy

The introduction to the psychologist profession, the psychology subject has been presented by Yelena Semenova, psychoanalyst, “Eastcomtrans” HR manager to Almaty regional orphans home #1. Yelena helps children to know better themselves, to become more successful and ready for adult life. The meetings are conducted on a regular basis, once a week and individually.

"Magic fairytales of home fireplace"

The story-book "Magic fairytales of home fireplace " has been presented to the orphans homes in Almaty. The authors of the idea of the story-book issue is Viktoriya Mominbayeva, businesswoman, mother of six children, the owner of the "Kүміс Алқа" order. All the funds got from the sales of these books are spent on children playground construction, including playgrounds for the children with disabilities.

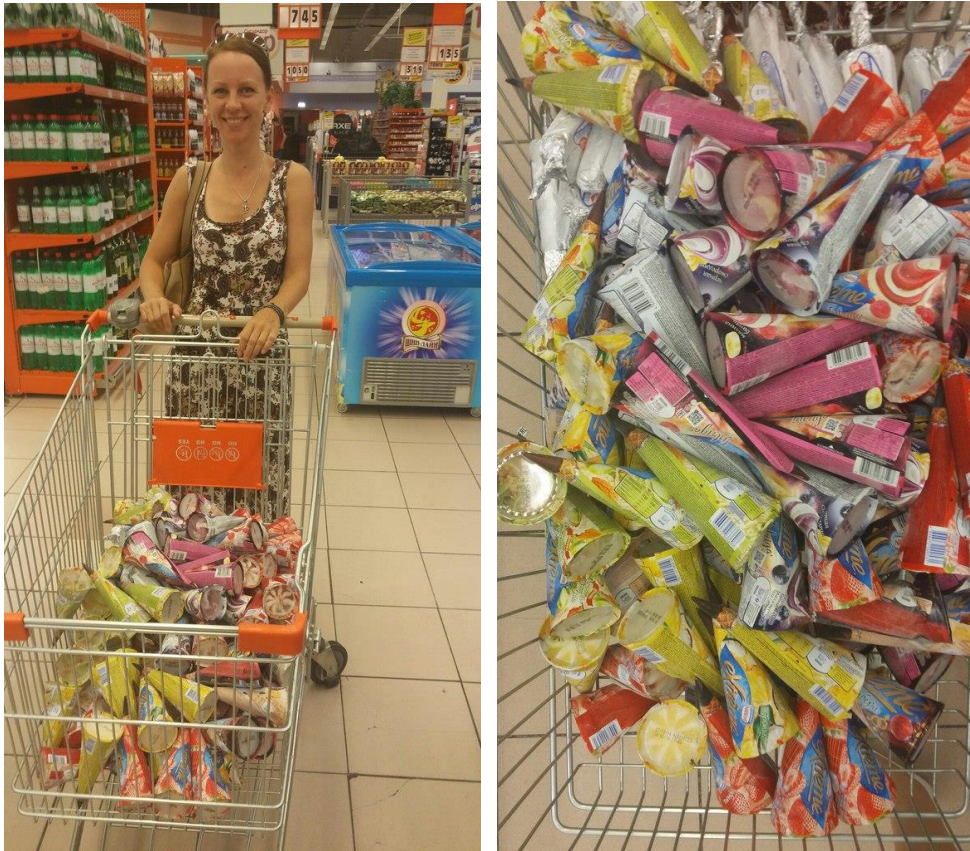

The present for graduation party

The charity event from the beauty salon NUMEROUNO boutique – hairy style and evening make up for the orphan home graduates.

The Capital day!

“Eastcomtrans” employees have bought the ice cream in honor of the Capital day holiday for all children of Almaty regional orphans home! Thanks a lot for the children’s joy!

Summer holiday

“Zhakiya” Fund has paid the tickets to Ust-Kamenogorsk for the summer camp "Ymir" for children of orphan home #2. Children have been on vacation for 20 days.

Winter holidays with children from Almaty regional orphan's home #1.

Children have visited “Medeo” mountain skating rink, watched “Monsters on holidays” movie and had lunch at pizzeria. We are grateful for this opportunity to “Eastcomtrans” employees, specially the initiator of this event, Yelena Semenova, Kazbek Zakirov for his help in children transportation and Alexey, our driver.

New Year present!

Congratulation on a New Year eve had took place in Almaty regional orphans home #1 on December 22, 2015.

All 180 children from orphans home participate in the event. Small children under the 4th grade got the presents from Santa Claus. Their wishes had been fulfilled by the Fund's friends and “Eastcomtrans” employees – the permanent sponsor and trustee of our children.

Kids of elder age, 155 children, have got winter shoes bought by the Fund. We are grateful for the «Pilar LTD» for the maximum discount provided.

Children from orphan home presented us the concert program. The event have visited “Eastcomtrans” employees, friends of our Fund, members of Trustee Commette, including Izada Apa Sarsenova, Sholpan Sarsenova and Rakhat Sadykov – the President of the Fund.

The courage to be the first!

The Trustee of Fund “Zhakiya” Sholpan Sarsenova (to the right) and the Projects coordinator Zhadyra Sabirova have participated in the IV Almaty Marathon “The courage to be the first” together with “Eastcomtrans” employees.
